

REDMOND BIKE PARK

SITE SELECTION PUBLIC MEETING

**FEBRUARY 10, 2010
6:30 PM**

**HORACE MANN ELEMENTARY, COMMONS
17001 N.E. ST., REDMOND WA 98052**

Bicycle dirt jumps have existed on the property south of Hartman Park, owned by the water utility, since at least the mid-1990s. The city is working with community members to legitimize this use through evaluation of the site location, professional design, applicable permitting, and community involvement. The city has hired contractors to conduct critical areas analysis, civil design, and bike park design. The contractors have assisted the city in evaluating three potential locations for the project, the existing location and two locations within Hartman Park. Come to this meeting to listen to the city's preferred site location and provide comments. For more information about this project, please refer to the city website - <http://www.redmond.gov/insidecityhall/parksrec/parksplanning/DirtJumps/default.asp>
